Went down in history

For a long time history bore a markedly descriptive character.

Крестьянская реформа 1861 г. : научно

As the tribes spread throughout the Tien-Shan from the 13th to 15th centuries, the formation of the Kirghiz nationality began, a process that was completed in the 16th century. Early feudal relations arose in Caucasian Albania, in the territory of modern Azerbaijan, during the first half of the first millennium A. C, many tribes had already reached the stage at which the clan tribal system was disintegrating and a class society was ready to emerge.
