They are mostly centred around and contractual relations, although we have some ideas about criminal law and legal procedure as well.

### Cornwall's camino: walking the Cornish Celtic Way

The Classics of Western Spirituality. They arrayed themselves as fiercely as possible, sometimes charging into battle fully naked, dyed blue from head to toe, and screaming like banshees to terrify their enemies. The Classics of Western Spirituality.

### 644 Celtic Way, Webster, NY 14580

This is, simply put, using the recognised style which the people are used to to retell the cosmic spiritual battle that the hero warrior goes through in this epic fight against evil. There is relatively strong evidence for a customary requirement for kin members to support and help each other, in everyday life as much as in legal disputes. Similarly, where such cognate terminology exists for parallel practices in the early medieval Celtic laws, but not in other Indo-European laws, we can consider these to be specifically Celtic laws.

### The Celtic Camino: from Ireland to Santiago

Action, or Orthopraxy, comes from a desire to do what is right and good. Perhaps these early Christians' thinking can be summed up, as Ian Bradley does with the three p's: presence, poetry and pilgrimage.
