Other notable characteristics of tonkotsu ramen include firm noodles and pork belly as a topping. The ruins of Fukuoka Castle sit in Maizuru Park, home to an abundance of cherry blossom trees which makes it a popular spot for hanami, or flower viewing in the springtime.

## Konosuke

The ruthlessly sharp, long-lasting edge makes the Daimyo Series knives perfect for professional and amateur cooks alike. Today, Fukuoka is a popular destination for visitors from Asia.

## 15 Things to Do in Fukuoka, Japan

A new legend of the savior begins.

## Hokuto Ga Gotoku

One day a man named Kenshiro reaches Eden at the end of his wanderings. Koto spent much of her childhood training with Aratama at the Shrine, and as such is an expert with it.

## Konosuke

Additionally, the 67 layer Damascus steel makes possible the creation of custom designs in the blade during temperment, giving our knives stunning, unique textures. Koto was occasionally overcome by guilt and reduced to near-catatonia when the weight of her mistakes hit her fully, but

she generally shook it off when faced with urgent situations or motivational encouragement from others. She usually wears a black sweater with a sailor uniform within it and a white pleated skirt.
