Wake Island

Sakaibara was executed by hanging in Guam on June 18, 1947, while Tachibana's sentence was commuted to life in prison.

Between World Wars, 1919

Japanese Sea-Power: Its Inception, Growth and Purpose VI. Since Wake Island appeared to have neither food nor water, the captain and his 12-man crew quickly departed, crafting a makeshift sail by attaching a blanket to an oar.

The Origin of the Japanese Navy on JSTOR

Moreover, Yamamoto's project of attacking the American fleet at its base was not conceived until later when the British demonstrated what could be done with torpedo planes launched from a carrier. Japan had only recently been humiliated by the U.

SEA

Sakaibara and his subordinate, lieutenant commander Tachibana, were later sentenced to death after conviction for this and other war crimes. CONDITION RED: Marine Defense Battalions in World War II.
