Humanitarian Intervention: A Legal Analysis

Alexander Pauer, Die humanitaere Intervention: militaerische und wirtschaftliche Zwangsmassnahmen zur Gewahrleistung der Menschenrechte, Basel 1985. Mobilizing International and Regional Organizations, Washington DC, 1996, pp.

Humanitarian Intervention: Legal and Political Aspects

The idea of Common Morality, which stems from natural law, provides a more comprehensive moral basis for humanitarian intervention. Princeton, NJ: Princeton University Press. Yet, states involved in the decision process cannot act in its own interests.

Humanitarian Intervention: A Legal Analysis

Conclusions Contemporary international law establishes beyond any doubt that serious violations of human rights are matters of international concern Simma, 1999. These original essays are an important contribution to policy clarification and to scholarship.

Humanitarian Intervention: Legal and Political Aspects

Unilateralism is commonly questioned because of a fear of the motives of single states acting alone. Ganji, International Protection of Human Rights, New York, 1962; N.

Humanitarian intervention: ethical, legal, and political dilemmas by Keohane, Robert O. (Robert Owen), 1941

The decision, for instance, whether to respond to a particular crisis is highly political. Humanitarian politics are essentially hegemonic politics.

Is Humanitarian Intervention Ever Morally Justified?

However, we have observed a gradual relaxation of this state centric view. The Context for Humanitarian Intervention: 1.

Humanitarian Intervention: Legal and Political Aspects

Nonetheless, Barber 2009 argues that the concept of R2P could still be important in developing a legal framework for assessing the appropriate role of the international community in the aftermath of natural disaster. From a theoretical perspective, constructivism tries to build a bridge between realism and liberalism, drawing from structurationist and symbolic inter-actionist sociology, on behalf of liberal claim that international institutions can transform state identities and interests Wendt, 1992. *State Sovereignty and International Intervention*, Baltimore MD 1995.

Humanitarian Intervention: Legal and Political Aspects

A further point which I can only touch upon here concerns the generation of public confidence in and domestic support of humanitarian intervention. The United States spent the 1990s conceiving of Afghanistan as a humanitarian disaster zone, failing to notice that it was rapidly becoming a national security nightmare, a training ground for terror Ignatieff, 2002. Britain intervened in Greece in 1830; France sent a military expedition to Syria and Lebanon in 1860; Britain sent troops to Crete in 1866.
