Sustainable Development Goal 11

However, in Australia, a major concern is housing stock affordability.

UrbanSim — UrbanSim

Amazon Rainforest Continues to Shrink Faster, Land Policy Institute Newsletter.

Urban policy and metropolitan reviews

The Bangkok Metropolitan Administration Working Group and key informants identified core issues for implementation, including limited spatial data available at the district-level or lower.

Urban Inequality

Commonly the simulation period for long-range planning is 30 years. As the UN focal point for sustainable urbanization and human settlements, UN-Habitat has been designated as a custodian agency for 9 of the 15 indicators under SDG 11, and supports the monitoring and reporting of 4 indicators in other goals.

How Impact Investors Can Use Policy Advocacy and Engagement to Advance the Common Good

UrbanSim is essentially a computational representation of metropolitan real estate markets interacting with transport markets, modeling the choices made by households, businesses, and real estate developers, and how these are influenced by governmental policies and investments. New documentation will be available in January 1989.

New indices to capture the evolution characteristics of urban expansion structure and form

THE REGIONAL DEVELOPMENT POLICY COMMITTEE The Regional Development Policy Committee RDPC was created in 1999 with the goal of identifying the nature of territorial challenges and assisting governments in the assessment and improvement of their territorial policies.

Regional Development Policy

UN-Habitat also works with UN system partners to support the production and use of high-quality urban related statistics for supporting local and national level decision-making.

Sustainable urban development: A review on urban carrying capacity assessment

Comparative Environmental Policy and Risk Assessment: Implications for Risk Communication and International Conflict Resolution. Quantitative Land Evaluation for Rural Development Planning: Concepts, Approaches and Applied Systems, Lecture Series, Chinese Translation. Bowen Garrett is an economist and senior fellow in the Health Policy Center at the Urban Institute.
