Dyron B. Daugherty

I was contracted to recruit authors and oversee the project. This presentation is an attempt to develop a theological and ethical critique of commercial tourism and to explore alternate practices of tourism informed by the perspectives of tourism-affected communities.

PGDT

Students: Bailey O'Connor and Chase Manson. September 2017 to April 2018. Christians in the City: Studies in Contemporary Global Christianity.

PGDT

I gave a formal response to those three papers during the session. The theme of this seminar is: Commercial Tourism and Marginal Communities: Missiological and Theological Challenges.

BRETHREN HISTORICAL LIBRARY AND ARCHIVES

Long in Fieldwork in Religion 13:2 2018. Students: Emily Dewitt and Christopher Sanderson. .
