## Saʿīd ibn al

It was a common custom to bury the dead in or next to the door of their houses. The Mālikī legal school—or the Way of Medina, as it was known—offers modern Muslims a definitive response rooted in the soundest Islamic methodology to a seemingly intractable problem vexing our world today. They believe that mankind can never change his fate no matter what he does.

## Saʿīd ibn al

Beirut: Dār al-ʿIrāq al-ʿArabī, 1970. ʿAdī, a Companion of the Prophet, was arrested by Ziyād and sent to Muʿāwiya with nine men of similar political leanings.

It should not be deemed that such view on the status and nature of the Imam only belongs to Abū Bakr Bāqillānī, who discussed it in his *Tamhīd*, but that the majority of the books written by Sunnī scholars hold the same view. Eleven days later, Yazīd died. The main threat presented by the use of force was that disaffected elements, namely the hypocrites *munāfiqūn*, who had been waiting for a chance to start a rebellion and cause disorder and chaos in Muslim lands, would seize the opportunity to advance their own interests.
