Materia

Racing along suspended ropes, scaling cliffs, and jumping across platforms are all second nature for the people of Materia, who have built their lives around the unique environment.

Mystera (2011)

Materia

Washed-up former Hollywood screen writing bigshot Aleister Bain Robert Miano is living a sad existence in a seedy apartment, trying desperately to finish a script he is months behind on before his agent Billy Zane cuts off his funding. The waterfalls within the gully produce a thick blanket of mist, which obscures many of the buildings that lie deep within. A once famous, and now washed-up, Hollywood Screenwriter, fighting to finish his latest script with an unrealistic deadline.

Mystera Legacy Free Sandbox MMORPG

Every village was borne of one of the great Houses of Materia, ancient households that can trace their lineage through the centuries.

MISTERÍA

There is only one maze and two completion rewards to choose from so far. The Art of the Hand teaches combat techniques which can be used for both offensive and defensive purposes.
