Prince

However, Johnson did not appreciate the tone of the essay, and he felt that Chesterfield had not made good on his promise to be the work's patron.

A Dictionary of the English Language

In 1746, a consortium of London's most successful printers, including and Thomas — none could afford to undertake it alone — set out to satisfy and capitalise on this need by the ever-increasing reading and writing public. Johnson's *Dictionary: Essays in the biography of a book*. Chicago: University of Chicago Press.

mint translation in French

In fact, the return of Richard had quenched every hope that he had entertained of restoring a Saxon dynasty in England; for, whatever head the Saxons might have made in the event of a civil war, it was plain that nothing could be done under the undisputed dominion of Richard, popular as he was by his personal good qualities and military fame, although his administration was wilfully careless, now too indulgent, and now allied to despotism. The couple, 'who feel themselves on a moral mission', insisted they did not intend to impose upon US taxpayers.

Navy

This could be achieved by means of an authoritative dictionary of the English language. We should also like to make it clear that the presence of a word in the dictionary, whether marked or unmarked, in no way affects its legal status as a trademark.

Oxford English Dictionary

. The term also reflects a widely reported though disputed assumption that Meghan was the driver of their announcement and is considered by some to be pejorative.
