Digital Collections

A sunny winter day in Helsinki, 1952.

Digital Collections

The is a service of the State Archives and the State Library of North Carolina. I can at any time resign from PPA and stop charges being made to my credit card. Helsinki: Finnish Museum of Photography, 2008.

U.S. Passport Photos

War reparations to the Soviet Union were worth almost 600 million US dollars five per cent of the GDP in 1945—48 , payable mainly in products of the metal industry but for example also 15,000 Finnorses were included. But whereas Sander had followed a self-imposed assignment of photographing people having a list of occupations, Hölttö photographed as he wished.

U.S. Passport Photos

These teenagers, who hung around together very late in the evenings, were largely considered not only a nuisance but also a possible danger to the peaceful development of society not only in Finland....
