An introduction to women's studies (2006 edition)

The selections provide students in the U. When Women Come First explains how men who lost social status in the immigration process attempted to reclaim ground by creating new roles for themselves in their church. I love this book for its utility in teaching an intro class that begins with a transnational perspective.

An Introduction to Women's Studies: Gender in a Transnational World (Edition 2) (Paperback)

Author : Inderpal Grewal ISBN : UOM:39076002638448 Genre : Social Science File Size : 80. This anthology introduces students to the modern period's history of key ideas related to sexual difference, gender, race, class, and sexuality. This extraordinarily successful book has been used across the country, both inside and outside the classroom, to shed light on issues of power and privilege.
