A History of England in the Eighteenth Century, vol. III

Perhaps I should limit myself to my département, and in any case because time is of the essence, you should see Domenger, Despouys, Labeyrie, and Batistant and persuade them to go round the canton to prepare people for legal resistance that is strong and organized.

Full text of

And painters began painting American landscape scenes not mimicking European art. Reason and free enquiry are the only effectual agents against error.

History of the Decline and Fall of the Roman Empire, Volumes 1

I would like to take my revenge soon.

Chapter III

The theory of Satanic manifestations was commonly held in European countries, and there claimed its thousands of victims. And, Europe should stay out of American affairs North, Central, Latin, or South America.
