## The six voyages of John Baptista Tavernier, Baron of Aubonne, through Turky, into Persia and the East

It is not surprising that Tavernier tells the tragic story of Rodolf Stadler Voyages I, pp.

He was at Isfahan on the return trip at the beginning of May 1647 Richard, I, p. It must also be noted that this evaluation by Joret remains the only one available on the question of the relationship between Tavernier and Chappuzeau and La Chapelle and on the gap between the manuscripts and the final publication.

### **Travels in India by Jean**

This intention led him to describe matters of exchange rates and coinage, the roads, business done in Persia, India, and the Far East, and the transactions that would be possible, tariffs, the risks incurred, the innumerable practical hints for traveling salesmen; all this is precisely indicated by the full title of the Six voyages, a title which from this perspective appears to define a program, almost a contract between the writer and the reader.
