## Culture of Korea

Of course, non-government organizations like ourselves will continue to educate and push the government to realize the importance of preserving our heritage and we will support them to achieve these very important goals. After 30 years of service working for Hyundai Business Group, I decided that the next stage of my life would involve pursuing my personal passion and contributing to Korean society by establishing the Korean Heritage Society. The country started to become split between North Korea and South Korea in 1945, and since then the two Koreas have increased cultural differences.

## Visit Korean Heritage brings Korean cultural heritages closer both to domestic and international travelers
