Letters of acceptance, along with further details of the conference, will be mailed by the first week of December 2004. August 17-21, 1997, Santa Barbara, California, USA. Stokhof IIAS, the Netherlands Dr I.

### CFD Study of Homogenization with Dual Rushton Turbines—Comparison with Experimental Results: Part I: Initial Studies

Contact person: Gulruh Abdusalamova E-mail: dssp dssp. An agreement between Serb and Turkish officials to expel initially over 40,000 Albanian families and later some 400, 000 Albanian families to Turkey was made in 1938. Here is an opportunity to have real substantive exchange with other anthropologists working in our area, while engaging fellow area specialists in dialogue as well something we can't do at Soyuz meetings.

### UKOLN

They contested at the federal level decisions taken by Serbia.

### Salting

There will also be the option of an excursion to the ancient cities of Bukhara and Samarkand, the latter being the capital of Tamerlane's Eurasian empire.

### Paul Foulkes

The workshop invites participation from the database, network, distributed systems, operating system, security and application communities.

Do transactions speak louder than words? Razmik Panossian Director, Policy and Programs, Rights and Democracy, Montreal 10:30 - 11:00 AM - Coffee break 11:00 AM - 12:30 PM PANEL III: The World as Seen by the South Caucasus How do Armenia, Azerbaijan and Georgia perceive their region in relation each other, to their neighbors, and to the larger community of states? On behalf of the organising committee, Mare Koiva, Estonian Literary Museum LECTURE- Tom de Waal, A Loya Jirga for Chechnya, Oct. Divided by religion Orthodox Catholic and Muslim , by alphabet Cyrillic and Latinic , by cultural tradition Byzantine, Ottoman and central European , by social structure aristocratic, patriarcho-feudal, agrarian and quasi-industrial the Yugoslavs did not constitute a distinct nation or nationality. Within the myth, the history of the medieval Serb state was viewed primarily as a liberation of Serb territories from Byzantine and later Ottoman Rule.

## **CFD Study of Homogenization with Dual Rushton Turbines—Comparison with Experimental Results: Part I: Initial Studies**

An inquiry into the past would reveal that Serbs occupied Kosovo in the thirteenth century and held it until 1457, that is, for less than two centuries. During the conference proceedings, panels will give way to a range of workshops, which will provide a more intimate and slightly less structured environment for graduate students and discussants to exchange ideas on conference themes.
