China RoHS 2 Catalogue and Exemption List Published

For enquiries, please contact: Eva Hu Technical Supervisor, EET RSTS t: +8622 65288314 Stay on top of regulatory changes within your industry! As for situations under which RoHS compliance is technically or economically not feasible, the exemption list which includes 39 exempt applications for the restriction of hazardous substances is also established for the above products.

China RoHS 2 Catalogue and Exemption List Published

If you live off the grid, have a remote summer cabin or an RV or just want to have refrigeration backup in case of a power outage, make sure to review our selection of propane refrigerators and freezers. It is worth noting that the exemption list will be only applicable to the products in the catalogue during the conformity assessment.
