A Narrow Bridge to Life : Bella Guterman : 9781845452063

This book adds greatly to our knowledge of the complexity of German policy toward the Jews and forced labor. From December 1944 to January 1945 the prisoners were guarded by 853 troops. It was accessible by four tunnels bored into the base of the mountain with chambers for guardrooms.

Bella Guterman. A Narrow Bridge to Life: Jewish Forced Labor and Survival in the Gross

Prisoners unable to work because of serious illness were removed from the camp to be executed off premises, as were those in advanced stages of pregnancy. Tunnel number 6 is collapsed 37 m from the entrance and has not been explored yet.

Vol. 43, No. 3, SEPTEMBER 2010 of Central European History on JSTOR

Liberation Conclusion Notes Camps, labor details, and labor subdetails for Jews in the Gross-Rosen Network Sources Index. This is why, although the process of genocide was proceeding at top speed, some Jews were diverted from the gas chambers and sent to work at Gross-Rosen. The progress of digging tunnels was slow because the structure of the consists of hard.

Narrow Bridge to Life: Jewish Forced Labor and Survival in the Gross

The first Soviet soldier to enter Grafenort, a Russian Jew, was overcome with emotion when he realized that there were still some survivors left at the camp.
