## **Category:Buildings in Wales**

In peasant houses the hall would have only consisted of a single bay. Work on the castle started in 1869 with Bute's workmen pulled down the houses built against the South Curtain Wall.

### **Listed buildings at risk**

In 1573, it was made a head port for collection of customs duties.

### **Listed buildings at risk**

This incorporates many of the innovations of the in London of 1812—1821 with wings, a massive wall and a central glass for the oversight of the prison complex.

### **Architecture of Wales**

Many of these, such as Germany, Italy, Switzerland, Denmark, Canada, Thailand and the Czech Republic, are represented by.

### **Pevsner Architectural Guides**

Plas Rhianfa An important development in the development in Gothic rival architecture in Wales was the building of Plas Rhianfa recently renamed Chateau Rhianfa in 1849—1850. Another impressive bridge is the single arched bridge at over the , which was portrayed by the artist Edward Pugh in 1813 but probably dates from the mid-17th century. Foreign students from Arab states and other European countries are a common sight on the streets of Cardiff.

### **Category:Buildings in Wales**

An example is the former North and South Wales Bank, now in. In 1404, burned Cardiff and took possession of the Castle.
