## NaJa & deOstos

**FRANCISCO MANGADO** Born in Navarre in 1957, Francisco Mangado graduated from the University of Navarre School of Architecture in 1982 and has been teaching there since. Does it exist as a result or does it only, in all its beauty, exist as a process captured in a perfectly choreographed photo? Recently, Pestellini has directed the design of OMA's Tools for Life furniture collection for Knoll, led architectural competitions including the expansion of Bocconi University in Milan and the Tecnopole of Bologna, designed scenography for the Greek theater of Siracusa in Sicily, and co-curated Cronocaos, OMA's exhibition on preservation at the 2010 Venice Architectural Biennale. He sits on the advisory board of the Future Architecture Platform Creative Europe.

## Vivienne Westwood and Christopher Kane create coronavirus posters

What is needed desperately today are approaches to architecture that can free its potential to transform our ways of thinking, and acting. Paul Cureton is a Senior Lecturer in Design People, Products, Places ImaginationLancaster, Lancaster University. He was Project Architect for numerous projects and winning competitions, including most notably the Stirling Prize nominee, the Phaeno Science Center Wolfsburg, completed in November 2005.

## **NaJa & deOstos**
