Was Ibn Hazm (may Allah have mercy on him) one of Ahl as

Reflecting on the distressing character of revolutionary processes in Russia, he laid the blame on both the and the for representatives of both currents displayed negligence with regard to law and even found certain merits in the weakness of the lawful state in Russia. Umenie, 13 2 :329—342, :, from the original on 28 June 2016 , retrieved 28 June 2016. He was the author of numerous books.

Vekhi: Landmarks: A Collection of Articles about the Russian Intelligentsia by Nikolai A. Berdyaev

What is amazing is that he was a confused literalist with regard to minor issues, and he did not believe in analogy qiyas , whether it was clear or otherwise. Writing from various points of view, the authors reflect the diverse experiences of Russia's failed 1905 revolution. However, he went to extremes in denying the divine attributes and referred their meanings to the knowledge of Allah.

Vekhi

But other scholars took an interest in his books, and they examined them, critiqued them and benefited from them; they learned from them and criticised them, and they saw in them precious pearls mixed with cheap beads.

Vekhi

The amazing aspect of this book of essays are amazing predictions by these authors of the Soviet Union based on their observations on the philosophy and rhetoric of the Russian intelligentsia.
