PBGC also acts as trustee and receiver for pension plans voluntarily terminated by their sponsors, or involuntarily terminated because of the failure of the sponsor for financial or other reasons. Treasury and the IRS continue to believe that the elective method should be available only for options on stock whose value is readily determinable and for companies that are required to determine the fair value of stock options for a non-tax purpose. However, Congress also realized that some investment in employer securities and real property could be beneficial when not done to

excess.
