**Anti**

In saying this, the complexity and manifold nature of the notion of terrorism poses a problem with the definition. The avoidance of terrorism does not aid in there being a commonly accepted definition of terror.

**Hocking, Jenny**

Furthermore, the police may use force, however, the force used must not be more than is necessary nor can it violate the dignity of the person.

**Terror Laws: Asio, Counter**

In the long run, they are irreconcilable with democracy. Some have even suggested these laws make us less safe.

**CCJ2020 Short Answer**

Progress in Human Geography, 34 6 , Australia New Zealand Committee. Senator Bob Brown has recognised the dangers to democratic practice in this procedural and party weakness: We are on a terrible slippery slope where we know that the Attorney-General has more laws to come which are worse than this one. Terrorism in one form or another has always existed, and will always continue to exist.
