### American Romanticism Overview

The standard eighteenth-century heroic couplet was replaced by a variety of forms such as the ballad, the metrical romance, the sonnet, ottava rima, blank verse, and the Spenserian stanza, all of which were forms that had been neglected since Renaissance times. Like nature, a work of art is an organic totality in form and meaning. Much like the Italian Renaissance of the 15 th century, the emergence of American Romanticism saw the celebration of the common man.
