### Prevalence of geriatric depression in the Kavre district, Nepal: Findings from a cross sectional community survey

Geerlings SW, Beekman AT, Deeg DJ, Twisk JW, Van Tilburg W. However, all information obtained, including breastfeeding information and encouragement to breastfeed, was based on self-report by the participants.

### Strengthening Nepal's Female Community Health Volunteer network: a qualitative study of experiences at two years

Interviews were recorded and notes were taken by two to document inaudible features of the discussion.

### Community

Of the total number of maternal deaths, 24 percent occur during or after childbirth and 19 percent in the postnatal period. Similarly, the SDIP could be extended from just focusing on the number of institutional deliveries to expanding quality care for mothers and newborns.

### The 2016 Nepal Demographic and Health Survey (2016 NDHS)

Regarding the quality of antenatal care, educated women AOR: 1. If you wish to raise project funds or collect project specific resources, you may contact us.
