**9. Marine birds**

Proposed Vashon-Maury Island Road Designation Plan. University of Washington Publications in Anthropology 10: 1-62. Herons forage in a variety of habitat types depending on local conditions, tides, and season.

**Puget Sound**

Turbid water can increase the number of pathogens in the water. Given the high profits available to treaty fishermen who move into this entrepreneurial class, and the absence of legal guidelines delineating

standards of equity between tribes and tribespeople, the stage is set for a laissez-faire expansion of the treaty fleet. It is intended as a reference resource for ESA staff of the NOAA Fisheries Office of Protected Resources and the U.
