American Foreign and Military Policy

Let Europe lead on Ukraine, and don't pick fights with Russia that offer America nothing.

Approaches to Foreign Policy

We ... The problems in Afghanistan show exactly why the US should not get involved in foreign affairs. There is an important difference, he contended, between aiding a revolution where the people have decided to fight for their rights and inciting a revolution where the people are living peaceably under their existing government.

How America Became the Worlds

The Bush Administration and the Israeli-Palestinian Conflict. Even the critics of the proclamation, Hamilton observed, admitted that they did not want to see America drawn into the war.

The Crisis: We Should Not Again Sacrifice Our Sons

China is developing extraordinary economic influence, but its military can't compete with America's outside East Asia. They were wrong about the disastrous intervention in Libya, which left it a smoldering failed state.
