Camille Claudel by Auguste Rodin

Her brother Paul visited her all of seven times and always referred to Camille in the past tense. Most of all, don't deceive me with other women any more. However, she was increasingly experiencing serious material and financial difficulties, whilst the onset of a latent persecution delirium was beginning to cause her distress.

Camille Claudel (1989)

The old woman is pitilessly sculpted, ugly, wrinkled and with pendulous breasts; there can be no mistake it alluded to Rose Beuret. Below are the pictures for each, in this order.

Love story: Auguste Rodin and Camille Claudel

Revolt against natureWhen Auguste Rodin was introduced to Camille , she was only 17 years old. She loved the love expressed in the embrace made during the dance. She returns to Paris in September, bringing back charcoal drawings.

Camille Claudel, Auguste Rodin and Constantin Brancusi

For twelve years Rodin and Camille lived and worked together, producing some of the best work of both their careers Rodin did his best to help her.

The sensual world: Camille Claudel's erotic sculptures

In 1882, following her studies, she rented a studio and shared it with several other female artists including Jessie Lipscomb. After the breakup, Camille grew increasingly paranoid that Rodin was spying on her to steal ideas.

Love story: Auguste Rodin and Camille Claudel

Camille Claudel is at the Goncourt , at Daudet , at Octave Mirbeau. This distressing representation of old age and passing time is both a symbol of

the torments Claudel was suffering at this time and an allusion to Rose Beuret, whom Rodin refused to leave. This 10-digit number is your confirmation number.

Camille Claudel (1989)

Throughout her thirties and forties, she strived to make her own way as an artist.

Camille Claudel by Auguste Rodin

I am in his way; he wants to get rid of me.
