Jeane, Donald Gregory 1969 The Traditional Upland South Cemetery. Formation data are given here for Black

Hill Mound which appears to be a mound built upon a Middle Archaic midden, then periodically elevated with mortuary and early ceramic midden layers, and then partially engulfed by sediment transported down slope toward Hillebrandt Bayou adjacent to the mound location. The six sites slated for additional testing and research represent former dwellings also associated with Tidwell Prairie.

Prehistoric and Historic Mortuary Practices Research Papers

Archeologists and consultants with the SDHPT initially analyzed materials and data recovered from 41LK28. Archaeological Review from Cambridge, 11 1 : 157-162. Az eredeti történet azonban ennél jóval összetettebb: folyamatos válaszreakciók, döntések és szimbolikus lépések összetett sorozata, melynek kezdőpontja egy adott közösség tagjának vagy tagjainak halála, végpontja pedig — az eredeti szándékok szerint — talán soha nem tárható fel.
