The 'invisible' needs of women with disabilities in transportation systems

It is important to sensitize every officer—from top to bottom. Sanjay Gunjyal, inspector general of police from Uttarakhand, said training is the first step, but it is not enough: Whenever there are new amendments or changes in the law, it is very important that all the investigating officers or police officers are aware. The brutal murder of a homeless man with schizophrenia in Fullerton, California presents what happens when homelessness, mental illness, and police brutality meet.

The abuse of disabled people is a hidden crime we must face up to

They should be properly trained and that training should not be limited to the law. Since August 2013, Kanchana, who has an intellectual disability, and her mother Diya, have been to court five times.

Abuse, Neglect, and Crimes Against People with Disabilities

Courts themselves can be intimidating and confusing for survivors, and cross-examination may be particularly stressful. Police should help families who want to pursue such services contact service providers.

Adults with learning disabilities at risk of abuse, say charities

In Hooghly District, West Bengal, Chandra, a 12-year-old girl with cerebral palsy was allegedly kidnapped, raped, and found bleeding in a nearby field in June 2013.

Abuse, Neglect, and Crimes Against People with Disabilities

Safety and security in transit environments: An interdisciplinary approach. We also met officials from mental health institutions and shelter facilities, police, government officials, special educators and disability rights activists. Not only did the errors in recording her age exclude Maneka from protections under POCSO, exclusion of her intellectual and physical disabilities also undermined evidence collection.

New report shows that people with learning disabilities are at high risk of targeting for hate crime yet remain “invisible” in Government crime statistics

Another possible reason for the under-reporting of disability hate crime is that many disabled people know the person who harasses or abuses them, which is not a common feature of other hate crimes. Noori applied for compensation to cover her medical expenses, but more than three years later had yet to be awarded compensation.

Survey of abuse of people with learning disabilities

Making decisions on behalf of mentally incapacitated adults. This can lead to impunity and invisibility of the issue, resulting in violence lasting for extended periods of time. Independent-mobility rights and the state of public transport accessibility for disabled people: Evidence from southern Punjab in Pakistan.

Abuse, Neglect, and Crimes Against People with Disabilities

See Delhi Commission for Women v. This included people facing violence, threat and intimidation from a range of people including criminals, neighbours and even carers.
