If what it means for a desk to exist, is just that is perceived, then we can never worry that the desk we are seeing does not really exist. I have never done this before, but I make an exception here because the message is truly a milestone in philosophy. Berkeley believes that the way the current metaphysics is spent doubting is ineffective.

Three dialogues between Hylas and Philonous : Berkeley, George, 1685

It follows then, that we can only know the world through our mental perceptions, and there cannot be any experience of reality independent of the way we perceive it.

He also stretched out many subjects and approached numerous ideas from different angles. Shafer-Landau Another flaw in Devine command theory is explained by Shafer-Landau thru his description of The Euthyphro Argument. Deeply original, inspiring to some, abhorrent to others, George Berkeley's philosophy of immaterialism is still influential three hundred years after the publication of his most widely read book, Three Dialogues Between Hylas and Philonous.
