Our water softener was installed within an hour and the water is fantastic! Our products are used in a vast array of industries, ranging from Manufacturing, to Entertainment, to Robotics, to Homeland Security and Defense, to Medical Healthcare and many more. The course can be comfortably taught in eight two-hour classroom sessions including time for review and the exam, but each instructor will determine the pace of the course. It is legally uncertain whether the City of Oxnard could even sell the water back to the City of Ventura.
