Introduction : Late Modern English studies into the twenty

Language and Computers 76 , ed. Only the initial chronological range has been extended to allow for tracing further trajectories of changes studied. The conclusions drawn on the basis of corpus data Corpus of Early English Correspondence Extension partly support the suggestion that neither ... or could be interpreted as a final step in the long process of the disappearance of negative concord from mainstream usage.

Style

The field is now interested in, and attracts, specialists whose fields range from statistical modeling to acoustic phonetics. Studies in Variation, Contacts and Change in English 1 , ed.

Distance learning

While usage guides and dictionaries prove remarkable in their contribution to the definition of what is not acceptable in specific social circles, the language of ordinary users also takes centre stage in studies of correspondence, journals and travelogues.
