The series novels have been adapted into movies and television on several occasions.

### **Lightning book by Ed McBain**

A police precinct in an unnamed large city where women are being hanged upside down in public places. He wasn't even in the second book.

### **Ed McBain's 87th Precinct: Lightning (TV Movie 1995)**

A was found on his in 1992.

### **Lightning book by Ed McBain**

It leaves readers to wonder or if it was because of the date of the novel. Berke Associate producer: Lee Gordon Original music by Albert Glasser  
Actually set in Manhattan Starring Robert Loggia as DETECTIVE STEVE CARELLI Also starring Gerald S.

### **Free Ebook Download Lightning (87th Precinct Series)**

Fat Ollie is back and as objectionable as ever.

### **87th Precinct**

As known, many people say that books are the windows for the world. I continue to be blown away by the economy of McBain's prose and how much punch he is able to pack into 150-200 pages.

### **John Lutz (mystery writer)**

Although the books vary in quality, on the whole this is a major series, a classic of American crime fiction that entertained, enlightened and

influenced the genre for over three decades and counting! To get to this length, he has two major subplots, each with multiple murders or rapes, and several sub-subplots, and needless to say, it's not all neatly tied together. Reprints of crime-oriented stories and novels written in the 1950s previously attributed to other pseudonyms were re-issued under the McBain byline. The novel takes place during a heat wave, and all the cops are scared to their nerves wondering which of them could be next.
