With his wife and children among the captives at Qin, Liu Zhijun, who was commanding Qi forces in resisting the Shu attack, also surrendered, leaving Qi with little more territory than its capital Fengxiang. As Du was old at that time, Emperor Xianzong afforded him great respect, referring to him only as Situ and not by name. Will Hou learn his lesson, and will anyone lose weight? In 904, Zhu, wanting to put the emperor even firmer under control as a prelude to usurping the throne, forcibly moved Emperor Zhaozong from Chang'an to.
