Nevertheless, the economic crisis in Mexico accelerated the process of political reform.

### **The Digital Consumer in Latin America**

The Clinton Administration, however, never has made a strong push in Congress to win NAFTA trading parity for the countries of the Caribbean Basin Initiative CBI. It could also contribute to a better understanding of the international transmission of business cycles.

### **The Digital Consumer in Latin America**

These markets, while potentially hugely profitable, are still developing in most every way, and while it is true that they are more stable than they have been in the past, some political obstacles remain.

### **The Digital Consumer in Latin America**

Colombia elected a new president--Andres Pastrana--on June 21, 1998, thereby opening a window of opportunity for the United States to improve relations with Colombia. With the American and Mexican, Venezuelan, Brazilian and Ecuadorian economies more interlocked than ever before, currency weakness in one region could whipsaw the other.
