In 1919 he began his education at the Colonial School for Chiefs' Sons in Nyanza, subsequently becoming his father's secretary in 1924. He was a member of the Abanyiginya clan.

Mutara III Rudahigwa

It is likely that the monument was deliberately destroyed in antiquity. La Muerta was investigated by archaeologist in the 1980s. Malata behaves in a very confident manner even in the presence of royalty.

Mutara Group

Rudahigwa had been secretly by , the head of the Rwandan Catholic Church, since 1929, and was groomed by the Belgians to replace his father. It is a limestone stela measuring 2.

Malata

We understand that each client is unique this is why we provide a tailor-made service that caters for your business and personal needs.

Malata

The site has been extensively looted.

Mutara III Rudahigwa

Stela 2 is an isolated monument located about 100 metres 330 ft north of the path leading to El Mirador. The monarchy and prominent Tutsi sensed the growing influence of the Hutu and began to agitate for immediate independence on their own terms, culminating in Rudahigwa's demand for independence from Belgium in 1956.
