

# Objectives and administration of library research.

## Library Association - Library / Library's Objectives and Responsibilities

**PUBLIC LIBRARIES**

**Standard I. Mission, Goals and Objectives**

A. To provide library and information service to the needs of the community.  
B. To build within each library an information center about its respective community - its resources, history, people, customs and traditions, etc., and  
C. To develop nationally, a network and linkages among public libraries with the National Library as the center to facilitate research reference needs of patrons.

**Standard II. Administration**

A. Each public library shall operate under the administrative supervision of the local government unit and under the technical supervision of the National Library.  
B. A public library shall be managed by a professional librarian.  
C. The public library as a local government entity shall have, as its immediate superior, the local chief executive or any legally designated local official in accordance with the Local Government Code.
