### Death and Disorder A History of Early Modern England, 1485

The infrastructure of the land was also improved exponentially as roads, railway tracks and waterways were constructed for transportation of goods and people.

#### England

In 43 AD the began; the maintained control of their until the early 5th century.

#### England

The established by ruled England for over half a century before the period of succession crisis known as 1135—1154.

#### Culture of England

Through a tight fiscal policy and sometimes ruthless tax collection and confiscations, Henry refilled the treasury by the time of his death. Although a dynastic conflict between successive English and French monarchs, this war became a cause in which Anglo-Saxon and Norman culture merged into a recognizably English culture. In 601, he baptised the first Christian Anglo-Saxon king.

#### History of Britain

Eventually, the British Empire became the largest of its kind ever in history. His reign was punctuated by many rebellions and civil wars, often provoked by incompetence and mismanagement in government and Henry's perceived over-reliance on French courtiers thus restricting the influence of the English nobility.

#### The History of English

The New Model Army, commanded by , then scored decisive victories against Royalist armies in Ireland and Scotland. Even the farming industry was revolutionised as tools and implements took on new and more efficient dimensions often negating the need for as many labourers as before

and forcing these ones into the cities in search of jobs. German, French, and Low Countries Protestant refugees in the sixteenth through eighteenth centuries were confronted with ethnic prejudices.

### **Early Modern England: Politics, Religion, and Society under the Tudors and Stuarts**

He claimed the throne by conquest and God's judgement in battle. Meanwhile, the French were building up fleets that threatened both the Netherlands and Great Britain.
