Origins of nurse

Nurse-midwifery in the United States, 1976-1977. Bulletin of the History of Medicine is the official publication of the American Association for the History of Medicine AAHM and the Johns Hopkins Institute of the History of Medicine.

Nurse

Paternal domination of home and society was at an all-time high.

American nurse

This permitted regulation of nurse-midwifery under nurse-practice acts in all but a handful of states. Religious factors plagued midwives from the beginning.

1976 in the United States

With warehouses on three continents, worldwide sales representation, and a robust digital publishing program, the Books Division connects Hopkins authors to scholars, experts, and educational and research institutions around the world.

1976 in the United States

Lying in: A history of childbirth in America.
