Gideon's Spies: The Secret History of the Mossad :: Reviewed by Daniel Pipes

The writer takes the reader through tumultuous layers of the spy world. Throughout the book, the author speculates and inserts his own beliefs and conspiracy theories rather than simply presenting the evidence at hand.

Gideon's Spies: The Secret History of the Mossad :: Reviewed by Daniel Pipes

The hook in place, Maurice would then have begun to reel in the line with the skills he had acquired at the Mossad training school.

Gideon's Spies: The Secret History of the Mossad :: Reviewed by Daniel Pipes

Thomas's command of Middle East realities is faulty in the extreme. Ignorance is never far from the surface.

Gideon's Spies: The Secret History of the Mossad by Gordon Thomas

Sure, most of them were terrorists or assassins themselves but all of them? This book took me through a whirlwind of dense intensity and had me on the edge of my seat. From the outset I hit on a subject of which I am quite well informed, namely the death of Princess Diana. All one can say is that, if Israel's intelligence capacity were really what Thomas alleges it to be, the intifada would have been stopped dead in its tracks, and the problem of anti-Jewish terrorism in the world would have long since subsided.
