

# Sport in the mass media

## University of Calgary - The New Face of Sports Media

The screenshot shows a page from an eBook titled 'Sport and the Mass Media'. At the top, there's a decorative header with small icons. Below it, a section titled 'Case Study: Sport and Television: A Love Affair?' is displayed. The text discusses how sociologist John Goldlust suggested the coming together of sport and television was a 'match made in heaven.' It notes how sports have changed over time due to television, mentioning tennis balls becoming yellow and the impact of monetary profit. The text also highlights how memorabilia and media have increased participation in sports. Navigation buttons at the bottom include 'Back', 'Next >', 'Chapter Menu', and 'Table of Contents'.

### The New Face of Sports Media

Servicing the political system by providing information, discussion and debate on public life. FOOTBALL: BIGGEST ATHLETES, BIGGEST AUDIENCE Professional Football It is not an exaggeration to say that television put football where it is today.

### CAB Direct

UNINTERRUPTED is a multimedia platform for athletes created by NBA superstar LeBron James, and is essentially a way for athletes to record short video clips on their smartphones about any topic. What will come out of it is yet to be seen, but we might be witnessing another disruption to this relationship. By promoting athlete driven media, where athletes can tell their own story and be more authentic than in traditional journalism, sports properties can significantly grow the female fan base.

### THE MASS MEDIA AND COVERAGE OF SPORTS PROGRAMMES IN NIGERIA Mass Commu...

The sample was stratified by gender, age group, area of residence and body mass index. The print media press constitutes the newspaper, magazines, books and other journals.

### Sports in Mass Media

The behind the scenes machinations of big money and politics are so well hidden from most of the population, that if people actually knew how things were really run, we would quite literally have a second revolution overnight. The first reported Sports Coverage appeared on May 5 1733.
