About this Item: Routledge, 2011.

**Colloquial Swahili Complete Course for Beginners By Lutz Marten & Donovan Lee 9780415221634**

Colloquial Japanese 2nd edition does teach kana and some kanji. About this Item: Routledge, 2011. The free version covers phrases and vocabulary for the following topics which are essential when visiting a Swahili speaking country: Numbers, Time and Date, Basic Conversation, Greetings, Getting Directions, Eating at Restaurants, Sightseeing, Shopping, Emergency, and Accommodations.

**Colloquial Swahili : Lutz Marten : 9780415580687**

I used this book for self-study. Rather than focusing heavily on grammar, vocabulary, and memorization, this course teaches the structure of the Swahili in an exploratory, interactive and conscious way. No prior knowledge of the language is required.
