Teaching Foreign Language Skills: Second Edition, Rivers

Now, which of these would be easier to memorize? Of these, note that listening involves one side of oral communication and reading involves printed material. However, simply encouraging students to read level-appropriate and interesting passages, both in class and at home, can be an effective strategy.

How to Teach Adults a Foreign Language: 13 Steps (with Pictures)

The author ends each chapter of this new edition with questions for research and discussion—a useful classroom tool—and provides an up-to-date bibliography that facilitates further understanding of such matters as the bilingual classroom. This is particularly true for companies and industries that provide services requiring high levels of human interaction, such as finance and health care.

Teaching Foreign Language Skills: Second Edition by Wilga M. Rivers

This may sound cheesy but classrooms generally have a bad reputation, in that we often remember boring lessons sitting at our desks listening to our teachers drone on and on while we were dreaming of being anywhere but there. We focus on equity, advocating for programs that bridge the language access gap and ensure ALL students can learn another language, not just the privileged. How to implement this language technique? Once these factors are clear in the mind of the teacher, the teacher can begin to focus on how to involve the students in the activity thus promoting a positive, long-term learning experience.

Teaching Foreign Language Skills: Second Edition

Read more: This is not the only lesson plan structure, but it is one which is the most widely used, especially by new and inexperienced teachers.
