The Jesuit relations and allied documents [microform]: travels and explorations of the Jesuit missionaries in New France, 1610

Moreover this tribe, reduced to a small number of people, — a portion of whom come here in the spring, while the others go to the English for what they require, The door fronts the East, and every morning the great Chief honors by his presence the rising of his elder brother, and salutes him with many bowlings as soon as he appears above the horizon. During the 4 years while I wintered among them, many who had ventured too far were caught in the ice ; being blinded by snow, and unable to extricate themselves, they were compelled to haul up their canoes on an ice-floe, and let themselves drift with the current, I saw a young christian woman — as intrepid as she was fervent, and whose early death seemed to have been precious in the sight of God — return on foot from afar out on the river, making her way to the shore from ice-floe to ice-floe with her husband, dragging their canoe with them.

Little more is known about his death than the fact that he and his party of twenty Frenchmen were slain — probably surprised at night; and that other Frenchmen, passing that way, found the dead bodies. News has arrived, after a silence of three years, from Guignas, who has 18 PREFACE TO VOL. The women carried their children, the bark for their cabins, the kitchen utensils, fire- wood, fir branches for their beds, etc.

Il devait retourner l'apres-midi a sa Mission des Akensas, mais il fut arrete par quelques malades auxquels il fallait administrer les Sacremens. Les montagnes entre les quelles le Saguen6 coule sont si hautes et si escarp6es que les plus monstrueux arbres qui sont sur leurs sommet ne paroissent gueres d'en bas plus gros que la jambe et vers les 7 heures du soir en et6 pour peu qu'on renge la terre du sud ou qu'on ne soit tout a fait au large, on a peine a lire en canot.

Who could have restrained himself at such approaches? Quand on entend leur langue, le nom du guerrier fait connaitre tous ses exploits. Shall I tell you of it.

During my absence the principal chief had come to Chekou- timi. Il n'en est pas ainsi de celles qui se font au feu dans de grandes chaudières. Luc Francois Nau; Sault St.

But learn, my Reverend Father, the disposition of these Savages, and how little one is able to trust their words, even when accompanied by the greatest demonstrations of friendship. Not that it is unnecessary to take wise precautions.
