### Case study

New Note goes into production at the plant.

### Anchor Nissan North Smithfield

Ground breaking ceremony takes place. The company offers financing for the complete line of Nissan and Infiniti vehicles sold in the United States.

### Nissan Motor Manufacturing UK

Painted bodies are stored in a large holding area called PBS Painted Body Store , and are released in a specific scheduled sequence. Most of the software resides on an mainframe computer. We will also retain it in case you contact us in the future, to obtain feedback from you and to contact you about other offers and services provided by our group that may be of interest to you.

### Brexit: Is Nissan really closing its Sunderland plant?

Once bodies have been dipped and cleansed, they are then immersed in an anti-corrosion paint dip called ED Electrocoat Dip.
