**Course Description:**  
This class is a general introduction to Biblical pastoral counseling, including an overview of common pastoral counseling approaches and the role of counseling in public, private and church settings. The approach to oral care that will be taught relies upon the sufficiency of Scripture to provide the primary principles and tools for pastoral counseling. This approach will be applied to common counseling situations, to include Biblical counseling, anger, grief, depression, and pastoral visitation.

**Course Objectives:**  
• To help the student apply the Scriptures to pastoral counseling.  
• To introduce the student to various pastoral counseling approaches to oral care.  
• To build the student's confidence in Christ and Scripture to meet people's spiritual needs.  
• To introduce the student to the basic concepts of Biblical pastoral counseling.  
• To show the student how to use Scripture to help in the most common pastoral counseling situations.
