## False balance

This may be understood of balances and weights in religious affairs; the balance of the sanctuary is the word of God, with which all doctrines are to be weighed, and, if found wanting, they are to be rejected; this is agreeable to the will of God: false balances are abominable to him; such as carnal reason, vain philosophy, and the traditions of men, used by antichrist and his followers; the harlot, described in some preceding chapters, opposed to Wisdom or Christ, who directs to the search of the Scriptures, and the use of them to try doctrines by, ; see. With the US gripped by a fracking frenzy to unearth every last gallon of coal seam and shale gas, Gore accused mainstream media of being swept up in the ferment of a fossil-fuel energy boom

## Balance fallacy

It is often said that there is no single scandal, no matter how overwhelmingly , that he couldn't find some instance of the other party doing something maybe, kind of, almost close to being in the ballpark of the same thing, so that every thing wrong in is the fault of both parties. Climate Change: NASA's Eyes on the Earth. We expose neglected news stories and defend working journalists when they are muzzled.

## Media creates false balance on climate science, study shows

Examples of false balance in issues include the topics of versus natural , the , the alleged and versus. What Is a Trial Balance? Besides the general way to refute false balance as discussed above, it is often useful to make specific refutations to the specific combination of false balance and other, co-occurring fallacies. We shall often find it to our advantage to advise with others.

## The distorting reality of ‘false balance’ in the media

While it is not uncommon for media outlets to interview climate change scientists and climate change deniers in the same interviews, the effort to offer a 360-degree view is creating a false balance between trained climate scientists and those who lack scientific training, such as politicians. For everyone who behaves dishonestly in regard to these things is detestable to the LORD your God. The piece begins in a Gaza hospital, where an eight-month-old with a shrapnel wound to the head is being treated.

**Proverbs 11:1 Dishonest scales are an abomination to the LORD, but an accurate weight is His delight.**

But skeptics contend there is no evidence the warming exceeds the climate's natural variations.
