## Strange Synonyms, Strange Antonyms

The air was thick with smoke, which is why my voice sounds more husky than it is usually. We want to highlight the amazing work these organizations do and help spread some holiday cheer their way.

## Strange

The words and strange are synonyms, but do differ in nuance. Under the control of Fish Mooney, Bullock leads her, Marv, Nancy, and Sid to Strange.

## Strange

Gordon resuscitated Strange who states that the bomb will go off any minute. During his work at he was tied to the creation of , and , as well as brainwashing into believing he was.

## Strange

He also tells Gordon that he will help him reach his full potential and give him true strength but Gordon rejects the offer which Strange replies by telling him that his consent is hardly required. You can refer to him or her as a foreigner, but this word can sound rather impolite. The Pinewood project was reopened, with it taking place at a secret underground facility known as , located under.

## Stranger

Cobblepot decides to spare Mooney and sends the two of them on their way while telling Mooney not to come back to Gotham. The brilliant birds and the little monkeys had become accustomed to their new acquaintances, and as they had evidently never seen human beings before they presently, after their first fright had worn off, approached closer and closer, impelled by that strange curiosity which dominates the wild creatures of the forest and the jungle and the plain, so that within the first month several of the birds had gone so far as even to accept morsels of food from the friendly hands of the Claytons. In , he is also has a part in 's transformation into Bane.
