### Double bind

NEW YORK AP — US government researchers found that two masks are better than one in slowing coronavirus spread, but health officials stopped short of recommending that everyone double up. Military women should not have to self-adapt to obtain a leadership position; they should be able to get ahead with their own unique style. In this case, there are only two possible solutions, both equally unsatisfactory: the child remains passive, so that the mother will feel cheated, or he modifies his behavior to satisfy his mother but since it is not a natural attitude and spontaneous, she will consider his response as a sign of passivity to have been limited to follow an order.
